Field	Question	Answer	
consent	<p>Begin the interview with an introduction of yourself and any other colleagues who may be present (Hello, my name is...../my colleague name is....., I/ we work for Oxfam in the role of.....). Explain that the purpose of this questionnaire is for us to understand how any assistance we've provided has been received, if it's been useful, and what people think we've done well or could improve on. If required, provide a short explanation of what Oxfam is and assistance it provided.</p> <p>Before beginning the actual questions, inform the respondent that this is voluntary and that they can request not to participate, or to stop the interview at any time. Also explain that all information responded provides will be kept strictly confidential. The respondent may also choose not to answer specific questions. After providing an estimate of time required, and receiving verbal approval to proceed, begin the questionnaire.</p>
